

CONTENTS

ORIGINAL PAPERS

Radio-telegraphy.— Condenser losses at high frequencies L.W. Austin	143
Physics.— The magnetic rotation and ellipticity for massive metal mirrors.r	114
Thermodynamics.— The reheat factor in steam turbine design. E. Buckingham	147
Mineralogy.— Cuprodescloizite from California. Waldemar T. Schaller	149
Crystallized variscite from Utah. Waldemar T. Schaller	150
Chemical composition of the French phosphorite minerals. Waldemar T. Schaller	151
